SECTION II - PARENT FAITH FORMATION COVENANT

The Catholic Church teaches that parents are the primary educators of their children in the ways of God. In our Preschool and in The Franciscan School, the Catholic Community of St. Francis of Assisi promotes a harmonious relationship that unites the parish with individual parents in a cooperative venture. We seek to cultivate in children knowledge of religion, good habits, piety toward God and the practice of their faith. From this perspective, parents are expected to fully participate in the faith life of their children and therefore are asked to sign the following covenant:

“As a parent, I understand and accept my responsibility to be actively involved in the faith formation of my child and will continue to do all in my power to pass on the teachings of our faith, to foster community, to encourage worship and prayer and to inspire service to others.”
